

## 100% Battery Driven

Patented (pending) drive system with the most modern screw and nut system. Machine room less. State of the art 48V battery driven IPM-SynRM motor with next generation motor control technology.

**EcoDrive**  
48V battery bank dynamically charged.

- When traveling down
- By battery charger
- By solar panels (optional)

**A-rated energy consumption**  
At full operation, energy consumption is similar to an A-rated dishwasher (according to VDI 4707). The market's lowest maintenance cost thanks to the EcoDrive.

**Easy installation**  
All inclusive lift + shaft. Possible to install directly on the floor. 230V single phase installation.

**Anti-trap system**  
Full operation if external power failure. No need to be anxious.

**SWIFT Remote**  
Always connected and remotely monitored to minimize maintenance and service costs and to optimize functionality.

**Sustainability**  
More than 90% of the components in the lift are recyclable.

**Technical compliance**  
Complies with Europe's strictest safety requirements European Machinery Directive 2006/42/EC.

# Exclusive to Aussie Lifts

## SWIFT Lite

SWIFT home lifts represents the future of stylish living, allowing you to move smoothly and swiftly between different floors in your home. Enjoy everyday luxury and the highest level of safety for peace of mind.

SWIFT is specifically designed to be integrated with your home without any of the complicated building works required with traditional elevators. It is safe, smart and silent.

SWIFT Lite is designed to meet the requirements of a limited budget without compromising on style and comfort.

# SWIFT Lite

The home lift consists of a L-shaped platform with a floor that moves you up and down. The lift is controlled by classic lift buttons in stainless steel.

## Light

Carrier: White LED

## Doors

Double glass doors with automatic openers/closers. Built-in obstacle detection, stay open function and possibility to set door speed.

## Carpets:

SWIFT Lite comes with a Vinyl Black carpet as standard. The carpet is a woven vinyl and easy to clean. As an option you can choose a flooring made by the Danish design company Ege Carpets. The yarn is a recycled micro fibre.
